Department of Surgery

Presents

# Surgery Grand Rounds

Common Airway Disorders in General Surgery Practice.

Dr. Abdullah M. Alanazi M.B.B.S. (M.D.)  
Assistant Professor

Department of Surgery  
University of Florida College of Medicine  
October 17th, 2023  
8:00 AM – 9:00 AM  
Alumni Auditorium

## Learning Objectives:

Upon completion of this activity, participants should be able to:

1. Provide a comprehensive understanding of the most prevalent laryngology disorders encountered in general surgery practice.
2. Raise the awareness among surgeons about the importance of early recognition and management of airway disorders in surgical patients.
3. Promote a collaborative approach between otorhinolaryngology surgeons and Trauma/General Surgeons in managing patients with complex airway issues
4. Encourage the implementation of quality improvement initiatives related to airway and management within the department

## **Disclosure**

Dr. Alanazi has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website:

<https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

## **Accreditation**

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## **Credit**

The University of Florida College of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
